## Experience

### **Dems Financial Consultancy Services**

**Bataan/Quezon City**

**2020 - 2025**

As IT Manager at Dem's Financial Consultancy Services in Quezon City, I led IT operations, staff training, and system maintenance. I customized and repaired technology based on user needs while managing the department's software and hardware budget. Skilled in the latest hardware, software, and networking tools, I identified and resolved technical issues efficiently and helped shape the company's overall technology strategy and roadmap.
